Testimonials

"Columbus Rehabilitation and Speech Therapy department is great. I would suggest this Center for anyone needing therapy." - Ron Hill, Patient

"My wife has been in many hospitals since early 2007 and is currently a resident at Columbus Rehabilitation. Upon admission, the staff at CRSI was right on top of her care, and by working together with the hospital, they properly diagnosed her and saved her life. Thanks to CRSI and their therapy team, she is on track to reach her future goals." - Jim Harper, Husband of Patient

Serving Our Community with Care

Our dedicated team offers a continuum of healthcare from the time each individual is admitted to our center through the day they are discharged. We believe in quality care, compassion and enhancing the lives of each individual. You can expect to find these values in each and every service we provide.
